Values shown are for full dish. Values are current as of March 2022. The nutrition information provided is a compilation of the nutrient data from True Food Kitchen's suppliers, the USDA and nutrient database analysis of True Food Kitchen's recipes and our analysis. Please note the following: (i) Test menu items, specials, limited time offers, and/or regional items may not be included in the nutrition information contained herein. (ii) Special or customized orders will alter the nutrition information contained herein. (iii) From time to time, True Food Kitchen may have to obtain products from different or substitute suppliers which may alter the nutrition information contained herein. (iv) Menu item ingredients are based upon recipes and portions, but variations may occur based upon ordinary differences inherent in the preparation, local suppliers, region of the country, and season of the year. (v) Each of our menu items are prepared by hand, individually, so serving sizes can vary. (vi) Differences in available dishware, packaging, or containers may affect the serving size. The nutrition information is updated periodically in an attempt to reflect the current nutritional value of our menu items. These items may be served raw or undercooked. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.
